

## **Kristina Seedorff**

A preservationist, having received her degree from Goucher College in Towson, Md, applied her skills at Campbell, Thomas & Co, an architectural firm that specializes in preservation, community development, sustainable design, urban revitalization, energy conservation, and trail and greenway development. Notable Philadelphia area projects included Parkside Historic District renovations, the Perkiomen & Schuylkill River Trail Extension, and the American Swedish Historical Museum Accessibility improvements.

Past management experience includes store manager of the Philadelphia & Chestnut Hill Bombay Co. reproduction furniture stores and Philadelphia luggage store, Travel 2000.

In recent years, while working for the local hospital network, St, Luke's University Hospital, Kristina spent several years within the Human Resources department assisting with recruitment duties and Organizational Development responsibilities, before settling in as the Allentown Campus' current Birth Registrar.

Her local volunteer positions include past vestry president of St. John's Evangelical Lutheran Church in Allentown; current board member of the Lower Macungie Township Historical Commission, of The Shelter House- historic Log House in Emmaus, and of Seven Generations Charter School Foundation.

Kris uses her preservation background talents to renovate her 50 year old Rancher, enjoys tap dancing with her father and daughter and practices daily tai chi principles and meditation to help her maintain balance in her busy schedule.
