Chuck Peters has been an active Board Member of the Lower Macungie Township Historical Society since 2008 and served two terms as the Vice President. He was instrumental in planning and organizing the Society's Veteran's Day program for the past 10 years.

Chuck was raised on a farm in Upper Milford Township before moving away for ten years to complete his Internal Medicine and Cardiology training in the United States Navy. Upon his return, he lived in Lower Macungie Township where he became interested in local history and subsequently joined the Historical Society.

When the opportunity arose in 2014, Chuck and his wife Jennifer purchased a historic 19<sup>th</sup> century farm in Upper Milford Township which they are in the process of renovating. Incidentally, it is the farm next to where he grew up and where his mother still lives.

He is also active in the Boy Scouts and serves as an Assistant Scoutmaster to Troop 431 located in Lower Macungie Township. He and his son recently completed a 12-day trek at Philmont Scout Ranch in New Mexico.

Chuck is a Cardiologist with Geisinger Health Network in Wilkes-Barre and he is also a Captain in the United States Navy Reserves. He drills locally in the Lehigh Valley.

He and Jennifer have two children Charlie (15) and Madison (13) who can be seen volunteering at the society's events.
