

Lower Macungie Township Historical Society Brick Fundraising Campaign

As a means to raise funds for our new museum and to provide you with an opportunity to create a lasting tribute to family and friends, the Lower Macungie Township Historical Society is sponsoring a brick memorial fundraising campaign. Laser-engraved bricks are being ordered to be installed in a new walkway and patio along the museum’s barnyard wall at Camp Olympic.

Your donation of \$50 will allow us to purchase a brick to honor your designated person/s, business, or organization, and will help fund adjacent landscaping as well as future museum projects.

Come to the museum at Camp Olympic to see an actual sample brick.

Each 4” x 8” commemorative brick will be engraved with up to three lines, 16 characters (including punctuation and spaces) per line. Engraved bricks may be purchased in your name, the name of a friend or family member, in celebration of a birth, graduation, wedding or anniversary, in honor of a soldier or veteran, or in memory of someone you love. Commemorate an occasion or feature your business or organization’s logo.

Donate Today! Your gift will become part of our community’s legacy and is tax deductible. Please let us know if you are interested in ordering one or more bricks by contacting us at 610.398.9283.
